DATUM

Engine Oil

Dear Mr

Analysis of the engine oil

Averoil Low Saps 504/507 SAE 5W-30 (Oil-Code OS 246239)

has shown that product in question meets the requirements in accordance with VW Standard 504 00 and VW Standard 507 00. This engine oil is therefore suitable for use in our vehicles with LongLife Service (petrol and diesel engines, including diesel engines with particulate traps without fuel borne catalyst) in accordance with the Owner's Literature for our products.

So that it is clear to both customers and workshops that this approval has been granted, containers should state:

"approved under VW Standard 504 00 and VW Standard 507 00"

Please note that this approval will expire on 20.02.2018 at the same time as the approval given to the reference oil.

Yours sincerely,

Dr. Elfrath

i.A.

Dr. Kossmehl
