

H1 AND HALAL QUALITY POLICY

OLIPES, S.L., a company dedicated to the design, manufacture and marketing of lubricating greases and oils and maintenance and cleaning products, is committed to meeting all the requirements necessary to implement and maintain Halal Certification in products manufactured and packaged under OLIPES' control, in accordance with USDA H1 quality standards, suitable for incidental contact with food and intended for the lubrication of machinery in the food industry.

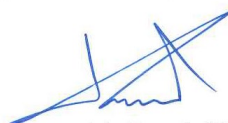

OLIPES S.L. maintains a commitment to Quality and the Environment, applying the strictest quality assurance and control systems and environmental management. In addition, it undertakes to provide the market with products that comply with the specific Laws of the Muslim Community and that meet the Halal Guarantee Mark.

To achieve this purpose, the Management of OLIPES S.L. undertakes to:

- Provide the necessary resources so that the products manufactured and packaged under OLIPES' control comply with Islamic regulations and ensure compliance with the requirements agreed with suppliers, distributors and customers regarding the Halal Guarantee Mark, including export requirements and/or external Halal standards.
- Have an internal HALAL Quality Representative who ensures the responsibilities of each member of the organization regarding compliance with the Halal Guarantee Mark.
- Train and adequately raise awareness among all employees who have an influence on the manufacture of a product certified as H1 and HALAL.
- Comply with the provisions established by the HALAL Certification Entity in its specifications and submit to a sanctioning regime under the Regulations for Use of the Halal Guarantee Mark.
- Use raw materials for manufacturing always in accordance with the FDA (21 CFR 178.3750 or 21 CFR 178.3620) and the Regulations for Use of the Halal Guarantee Mark of the Islamic Board.
- Keep the necessary documentation within the Management System correctly updated to comply with the Regulations for Use of the Halal Guarantee Mark.
- We commit to complying with Halal legislation and regulations, as well as all requirements and limits established for USDA H1 quality products, so that they comply with what Islamic Law establishes for consumption.

The Management of OLIPES S.L. will take the necessary measures to ensure that the HALAL Corporate Policy is disseminated and complied with in all areas of the organization.

In witness whereof, this HALAL Policy is hereby signed:

David Oliver
